

Come to Oklahoma State University for a

Math Workshop

to celebrate Sonia Kovalevsky Day!

This workshop is open to **all area middle school and junior high students, grades 6-9**, and is **free**. Our goal for this workshop is to **increase girls' interest in mathematics**, assist them in the transition to high school math and encourage their pursuit of STEM disciplines. The workshop is **open to all genders!**

Join us for
Sonia Kovalevsky Day

April 12, 2025 9 a.m.-3 p.m.

in the MSCS building
on the OSU campus!

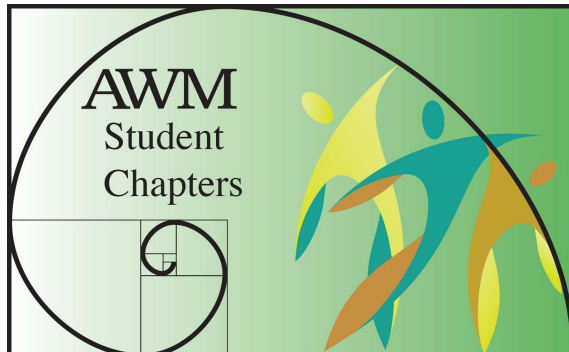

Three hands-on workshops, including:

- **Cryptography**
- **Origami**
- **Eisenstein tiles and tangrams**

Lunch provided

Free T-shirts for all participants!

We are grateful for the generous support from the Women of OSU and a Partnering for Impact Grant
