GAMEDAY ATTENDANCE AND MEDIA POLICIES

All CMB-controlled practices, rehearsals, and events, including those on gamedays with the exception of events in Boone Pickens Stadium, are open to the public. Media members who wish to schedule interviews, attend events for coverage, or record any events should contact Dr. Bradley Genevro or Prof. Allan Goodwin at least one week in advance to check availability and confirm scheduling. Please note that the Band Office may need to secure permission from event hosts for non-CMB controlled events, such as gameday events at the ConocoPhillips OSU Alumni Center or OSU Student Union, and may need to secure permission from the OSU Dept. of Brand Management regarding interview requests. These clearances may delay confirmation of scheduling.

On gamedays, when possible, the CMB will hold a gameday rehearsal. These will be held in Boone Pickens Stadium when available, but location is subject to change due to game operations scheduling. Media members who wish to attend should contact the Band Office to confirm time and location.

Media members and content creators are **strongly** encouraged to consult with the Band Office before posting stories or content online, especially to social media sites such as Instagram, YouTube, TikTok, etc., to help avoid any issues related to copyrights, licensing, synchronization, mechanical conflicts, or other rights that may arise and result in the disabling of content posts.

For home games, CMB performances within Boone Pickens Stadium as part of Cowboy Football gamedays are subject to OSU Athletics policies regarding ticketing and media access. Members of the public who wish to observe these performances must have a ticket to the game to gain entry; prospective CMB members interested in attending the games should contact Dr. Bradley Genevro or Prof. Allan Goodwin about the CMB Gameday Guest program.

Members of the media who wish to follow the CMB at home games must follow the credentialing process set by OSU Athletic Communications. For more information about this process, visit okstate.com/media, consult the 2025 Cowboy Football Media Guide, or contact Gavin Lang, Associate AD for Communications, at gavin.lang@okstate.edu.

For away games, the Big 12 Championship, and any bowl games, persons are subject to ticket and media access policies of the host institution or venue. Policies for CMB events at these sites will be made available in advance when possible.

CMB THIS WEEK

HALFTIME PRESENTATION: *BLACKOUT!*

The Cowboy Marching Band celebrates the 2025 Blackout game with its own exploration of the concept, **BLACKOUT!** The program presents a collection of rock songs with titles and lyrics connecting the CMB’s performance to the theme.

The show opens with one of hard rock and heavy metal’s greatest anthems, AC/DC’s *Back in Black*. It is the title track to the band’s seventh album, which by some estimations is the second-best-selling album in music history. Written by AC/DC’s founding brothers Angus and Malcolm Young and singer Brian Johnson, the song is a tribute to the band’s late singer Bon Scott. *Back in Black* has become known for its guitar riff and has received multiple accolades, particularly in recent years as digital sales have helped show its staying power in popular music.

The program continues with the Janet Jackson hit *Black Cat*. One of four *Billboard* Number One hits from her signature album *Rhythm Nation 1814* and the first solo writing credit of her career, the song was a stylistic break from Jackson’s usual dance and pop stylings, instead utilizing hard rock elements and other rock influences. The song’s lyrics address substance abuse and gang violence, keeping with *Rhythm Nation 1814*’s theme of social consciousness. *Black Cat* hit the Top 10 in nine countries and earned Jackson a Grammy nomination for Best Female Rock Performance.

The performance closes with a classic from the Rolling Stones: *Paint It, Black*. Written by Mick Jagger and Keith Richards, *Paint It, Black* spent two weeks atop the *Billboard* Hot 100 and has since become one of the Rolling Stones’ most recognizable and lauded songs. The song’s lyrics describe a narrator in a dark emotional state, and the original recording creates an ominous and unsettling mood through its use of a minor key, unusual instrumentation, and influences from outside the world of Western music, most notably the sitar melody performed by Brian Jones. The CMB’s arrangement for this show follows in this spirit of experimentation by transforming the song into a “rock tango” featuring the trombone and tuba sections.

WEEK 2 NOTES

- Thanks to the generosity of Pam and Bob Spinks, the CMB’s clarinet section will debut brand-new instruments at this week’s game. More information about the Spinkses’ gift and the instruments can be found in this issue’s *Spotlight* section.
- The CMB welcomes the University of Tulsa “Sound of the Golden Hurricane” Marching Band to Boone Pickens Stadium for this week’s game, and each marching band’s director has experience with their counterpart group. CMB director Allan Goodwin earned his master’s degree at Tulsa and served as drill designer and music arranger for the “Sound of the Golden Hurricane” during his time at TU. For Tulsa, third-year “Sound” director Matthew Schepers earned his bachelor’s and master’s degrees at OSU and served as both a section leader and a graduate assistant for the CMB.
- In cooperation with OSU Athletics, the graphic and video presentations introducing CMB performances have been updated and enhanced for this season! More than a dozen CMB members took part in a series of video shoots with Orange Power Studios to produce exciting new intro videos. Make sure you catch the videos each game - halftime intros will change every week!
- For the first time in many years, the CMB staff and OSU Athletics collaborated in a coordinated review of the entire pregame production for Cowboy Football. These efforts have resulted in the addition of an exciting new OSU Pom Squad feature and the CMB’s “Run-On,” still with its traditional gallup step and cadence, has been accelerated to create a more energetic opening to Pregame.
- Additionally, the CMB and OSU Athletics are coordinating more closely to match marching show themes with athletic marketing efforts to create a more unified and cohesive gameday experience. This week’s program, *BLACKOUT!*, continues this collaborative effort. The CMB will also make other adjustments to its normal performance procedures to support the collaboration this week, which will be seen on gameday.

REFRESHING THE SOUND

Spinks Donation Brings New Clarinets to CMB

The Cowboy Marching Band is getting another significant upgrade courtesy of two of its strongest supporters.

Thanks to the generosity of CMB alumni Bob and Pam Spinks, the band's clarinet section will be equipped with new instruments starting this season.

Friends and supporters of the CMB will remember the gift Bob and Pam made in 2023 that allowed for the purchase of 40 custom-designed Getzen trombones for the band. "Bob and Pam had gifted us the trombones, which was Bob's instrument, then their attention turned to how else they could help," said Dr. Bradley Genevro, OSU Director of Bands. When asked how they determined their next step, Bob Spinks said the decision was easy: "Pam was a clarinetist in the OSU band, so it seemed natural to do clarinets!"

Through the gift, 40 Yamaha clarinets have become part of the CMB's inventory, adding to the assortment of Yamaha instruments utilized throughout the ensemble. In addition to being the latest model available, these high-quality clarinets are made primarily of a resin that will allow them to be used effectively in various conditions the CMB may experience. Dr. Genevro believes this adaptability is important not only for performance, but also for protecting instruments that may not be suited for the elements. "No one has to play their own instrument on the field for the season," he said. "With everything that can happen with weather or prolonged exposure to sun, heat and humidity, it is a great feeling to know these students, who already sacrifice a lot to be a member of the CMB, can do so without any ramifications to their personal instruments."

The clarinets were presented at an event for section members held in the Seretean Center Concert Hall on September 10. There, the students got to check out their new equipment for the first time, visit with Bob and Pam, and express their thanks. Pam Spinks says that feeling of gratitude was mutual.

"It was so fun! They told me their stories; at least half a dozen said 'I've never had a new clarinet.' That blew me away! All I ever had was a student-model clarinet, but my parents were able to provide that for me years and years ago...the need is so self-evident," she said.

Pam also expressed how important it is to herself and Bob to support the CMB and the Greenwood School of Music. "We got so much from it. We don't have grandkids, so I've got 300 grandkids! Brad Genevro, Allan Goodwin, all the directors, not to mention Lucia (Unrau)'s guidance as the head of the school, they're making phenomenal things happen here. I just happen to be the most plugged in to the band side of it. It's just a good program. There's going to be repercussions, little ripples, a long time after this...These kids work so hard. I don't know of any other group at OSU this large, that does this much, that represents this university so well, and has a ten-hour day on gameday!"

Dr. Genevro says Bob and Pam have been "indispensable partners" in creating opportunities for students in the CMB.

"Their gifts, from providing instruments to sponsoring halftime shows and connecting us with our alumni, have been absolutely vital. By helping us build these deep, quality relationships with our community and alumni, they have helped us lay the groundwork for a collaborative culture that will benefit the CMB for generations," Genevro said.

The CMB's new clarinets will make their performance debut on September 19 as Cowboy Football takes on the Tulsa Golden Hurricane.

CMB GAMEDAY

GAMEDAY REHEARSAL

When possible, the Cowboy Marching Band begins home game Saturdays with a morning rehearsal to make final preparations of the day's pregame performance and halftime show. While times and locations for these rehearsals vary due to game start times, each rehearsal (excluding those in Boone Pickens Stadium) is open to the public.

OSU ALUMNI ASSOCIATION COWBOY CORRAL PEP RALLY

Each home game, one of the CMB Pep Bands helps get Cowboy fans ready for the contest at the OSU Alumni Association's Cowboy Corral Pep Rally, held each gameday at the ConocoPhillips OSU Alumni Center. These family-friendly events feature local-favorite food and drink, picture opportunities with Bullet the Spirit Horse, the Cowboy Corral outdoor gathering area, and more. The Pep Rallies are open to the public and begin 30 minutes before the start of The Walk.

STUDENT UNION ACTIVITIES BOARD SPIRIT WALK

The Walk is one of OSU gameday's most recognized and anticipated events. Introduced in the 2001 season, The Walk marks the start of the unofficial countdown to kickoff each day. Two hours before the scheduled start of each game, the Cowboy football team leaves the Student Union to walk north on Hester Street to Boone Pickens Stadium accompanied by the Cowboy Marching Band and OSU Spirit Squads, and surrounded by the OSU faithful. The CMB pep band that performs at the OSU Alumni Center each week meets the OSU Drumline at the intersection of Hester and Morrill to begin the Walk, and then the Drumline helps lead the football team to the stadium before meeting up with a second pep band at the stadium entrance to play as the team enters to begin game preparations.

GAMEDAY PEP BANDS

The CMB divides into three 100+ member pep bands on gamedays to perform for various events on and near campus prior to the start of each game, including the OSU Alumni Association Pep Rally, The Walk, and at Stillwater's world-famous Eskimo Joe's. These bands have also performed for gameday crowds on Campus Corner and for the numerous Cowboy football fans who gather for tailgating prior to kickoff. "Traveling" bands have even been known to visit the fans in the club and suite levels of Boone Pickens Stadium during games! Parties interested in hiring a pep band on gameday should contact the Band Office.

ORANGE POWER PEP RALLY PREGAME CONCERT

After The Walk, all CMB pep bands regroup to organize for the game and take final warm-ups before the Orange Power Pep Rally pregame concert. The CMB's program begins one hour before the scheduled kickoff time each week, with the OSU Drumline holding outdoor warm-ups prior to the band's arrival and a short performance as the band arrives and moves into position. Each week, the Orange Power Pep Rally fires up fans with a performance of the pregame show music and a preview of the week's halftime show. The Orange Power Pep Rally is held each week in front of the Bartlett Center for the Studio Arts.

PARADE

Immediately following the conclusion of the Orange Power Pep Rally, the Cowboy Marching Band lines up in its parade block formation for the march to Boone Pickens Stadium. As the CMB marches, the OSU Drumline performs The Series, the "street beat" cadence that has become a CMB tradition. Introduced in 1995 and written by percussion director Wayne Bovenschen, The Series is one of the familiar sounds of OSU gameday and a signature of the CMB at various events. On gamedays, one might see the sections of the CMB performing different dances or maneuvers at various points in the cadence, each unique to those sections. After each complete performance of The Series, the CMB will perform either a medley of "Ride 'Em Cowboys" and "OSU Chant" or the state song "Oklahoma" to keep fans' spirits up as they follow the band to the stadium.

SOUNDS OF THE GAME

The Cowboy Marching Band and the OSU Drumline perform a number of selections, “stand shorts,” and percussion cadences that have become part of the fabric of OSU game days, as well as new selections to keep the band’s sound fresh at Boone Pickens Stadium. THE COWBOY MARCHING BAND

The Cowboy Marching Band is the largest performing ensemble in the Oklahoma State University band program. Over 300 students from colleges and degree programs all over campus, from multiple states and countries, and from varied musical backgrounds come together to perform a variety of musical selections and visual programs each year as part of one of the largest student organizations at OSU.

As an athletic band program, the CMB supports Cowboy Football at each home game, in-state away games, select other away games, and bowl games each year. Pep bands often travel to support the team when the full CMB does not. Outside of athletic contests, the CMB and its component groups can be spotted performing at various university functions.

The CMB performs a variety of music in its shows to appeal to a wide range of audiences. Past programs have featured military marches, classical music, contemporary pop hits, classic rock, country music, Broadway show tunes, cartoon themes, video game music, Latin jazz, and more. The CMB utilizes multiple styles to present an engaging visual product; words, picture images, military blocks, asymmetrical drill, and other techniques are used to help bring exciting visual interpretations to the musical selections.

The CMB traces its history to a student-led group founded in 1905 that bought its own uniforms and hired its own director. Since then, it has become a group known for its musicianship, enthusiasm, and overall quality, and the memories made as part of the CMB are cherished by generations of alumni, friends, and fans. The shared experience of so many and the role the CMB plays at OSU have made "The Spirit of Oklahoma State" more than a nickname.

It is a statement of purpose.
