## GAMEDAY ATTENDANCE AND MEDIA POLICIES

All CMB-controlled practices, rehearsals, and events, including those on gamedays with the exception of events in Boone Pickens Stadium, are open to the public. Media members who wish to schedule interviews, attend events for coverage, or record any events should contact Dr. Bradley Genevro or Prof. Allan Goodwin at least one week in advance to check availability and confirm scheduling. Please note that the Band Office may need to secure permission from event hosts for non-CMB controlled events, such as gameday events at the ConocoPhillips OSU Alumni Center or OSU Student Union, and may need to secure permission from the OSU Dept. of Brand Management regarding interview requests. These clearances may delay confirmation of scheduling.

On gamedays, when possible, the CMB will hold a gameday rehearsal. These will be held in Boone Pickens Stadium when available, but location is subject to change due to game operations scheduling. Media members who wish to attend should contact the Band Office to confirm time and location.

Media members and content creators are **strongly** encouraged to consult with the Band Office before posting stories or content online, especially to social media sites such as Instagram, YouTube, TikTok, etc., to help avoid any issues related to copyrights, licensing, synchronization, mechanical conflicts, or other rights that may arise and result in the disabling of content posts.

For home games, CMB performances within Boone Pickens Stadium as part of Cowboy Football gamedays are subject to OSU Athletics policies regarding ticketing and media access. Members of the public who wish to observe these performances must have a ticket to the game to gain entry; prospective CMB members interested in attending the games should contact Dr. Bradley Genevro or Prof. Allan Goodwin about the CMB Gameday Guest program.

Members of the media who wish to follow the CMB at home games must follow the credentialing process set by OSU Athletic Communications. For more information about this process, visit [okstate.com/media](https://okstate.com/media), consult the 2025 Cowboy Football Media Guide, or contact Gavin Lang, Associate AD for Communications, at [gavin.lang@okstate.edu](mailto:gavin.lang@okstate.edu).

For away games, the Big 12 Championship, and any bowl games, persons are subject to ticket and media access policies of the host institution or venue. Policies for CMB events at these sites will be made available in advance when possible.

## HALFTIME PRESENTATION: SENIOR (HOLI)DAY

The Cowboy Marching Band will close its 2025 season this weekend with student recognitions and holiday cheer, celebrating the spirit of the season in a special halftime presentation.

The program will begin with the recognition of the 40 seniors of the CMB who are performing as members of the band for the final time. The students being recognized can be found in this issue’s Spotlight section. We are indebted to each and every one of them for all of their contributions to the Cowboy Marching Band, and look forward to welcoming them back as alumni and supporters. Thank you, seniors, and good luck!

The CMB will also bid farewell to graduate assistants Gabe Cowles, Mason Martinez, and Caleb Tonini. Their contributions to the program have been immense, and we wish them all the best as they prepare to move to the next stages of their academic and professional careers. Thank you for everything!

The second segment of the program focuses on CMB sophomore Charles Wilson. A member of the clarinet section, Charles experienced a medical emergency earlier this year and is recovering. During halftime, the program will recognize Charles and his family, as well as thank and acknowledge those who helped Charles during the immediate event and those who have supported him in the weeks since.

The program will close with the CMB’s final musical piece of the season, a new holiday medley arrangement titled **A CMB Christmas**. The piece will feature three holiday favorites: *Good King Wenceslas*, *O Come All Ye Faithful*, and *Gloria In Excelsis Deo*. Visually, the drill will highlight some holiday shapes, and there will be other fun visual touches throughout the program for everyone to enjoy!

The OSU Bands program expresses its thanks and appreciation to all who have supported the CMB throughout the year. Your support, however it is expressed, is essential to our success. Happy Holidays and Go Pokes!

## WEEK 8 NOTES

- The CMB performed its CMB in Review Concert on November 16, at the McKnight Center for the Performing Arts. The concert is available for viewing on the OSU YouTube channel.
- In cooperation with OSU Athletics, the graphic and video presentations introducing CMB performances have been updated and enhanced for this season! More than a dozen CMB members took part in a series of video shoots with Orange Power Studios to produce exciting new intro videos. Make sure you catch the videos each game - halftime intros will change every week!
- For the first time in many years, the CMB staff and OSU Athletics collaborated in a coordinated review of the entire pregame production for Cowboy Football. These efforts have resulted in the addition of an exciting new OSU Pom Squad feature and the CMB’s “Run-On,” still with its traditional gallup step and cadence, has been accelerated to create a more energetic opening to Pregame.

# CMB GAMEDAY

## GAMEDAY REHEARSAL

When possible, the Cowboy Marching Band begins home game Saturdays with a morning rehearsal to make final preparations of the day's pregame performance and halftime show. While times and locations for these rehearsals vary due to game start times, each rehearsal (excluding those in Boone Pickens Stadium) is open to the public.

## OSU ALUMNI ASSOCIATION COWBOY CORRAL PEP RALLY

Each home game, one of the CMB Pep Bands helps get Cowboy fans ready for the contest at the OSU Alumni Association's Cowboy Corral Pep Rally, held each gameday at the ConocoPhillips OSU Alumni Center. These family-friendly events feature local-favorite food and drink, picture opportunities with Bullet the Spirit Horse, the Cowboy Corral outdoor gathering area, and more. The Pep Rallies are open to the public and begin 30 minutes before the start of The Walk.

## STUDENT UNION ACTIVITIES BOARD SPIRIT WALK

The Walk is one of OSU gameday's most recognized and anticipated events. Introduced in the 2001 season, The Walk marks the start of the unofficial countdown to kickoff each day. Two hours before the scheduled start of each game, the Cowboy football team leaves the Student Union to walk north on Hester Street to Boone Pickens Stadium accompanied by the Cowboy Marching Band and OSU Spirit Squads, and surrounded by the OSU faithful. The CMB pep band that performs at the OSU Alumni Center each week meets the OSU Drumline at the intersection of Hester and Morrill to begin the Walk, and then the Drumline helps lead the football team to the stadium before meeting up with a second pep band at the stadium entrance to play as the team enters to begin game preparations.

## GAMEDAY PEP BANDS

The CMB divides into three 100+ member pep bands on gamedays to perform for various events on and near campus prior to the start of each game, including the OSU Alumni Association Pep Rally, The Walk, and at Stillwater's world-famous Eskimo Joe's. These bands have also performed for gameday crowds on Campus Corner and for the numerous Cowboy football fans who gather for tailgating prior to kickoff. "Traveling" bands have even been known to visit the fans in the club and suite levels of Boone Pickens Stadium during games! Parties interested in hiring a pep band on gameday should contact the Band Office.

## ORANGE POWER PEP RALLY PREGAME CONCERT

After The Walk, all CMB pep bands regroup to organize for the game and take final warm-ups before the Orange Power Pep Rally pregame concert. The CMB's program begins one hour before the scheduled kickoff time each week, with the OSU Drumline holding outdoor warm-ups prior to the band's arrival and a short performance as the band arrives and moves into position. Each week, the Orange Power Pep Rally fires up fans with a performance of the pregame show music and a preview of the week's halftime show. The Orange Power Pep Rally is held each week in front of the Bartlett Center for the Studio Arts.

## PARADE

Immediately following the conclusion of the Orange Power Pep Rally, the Cowboy Marching Band lines up in its parade block formation for the march to Boone Pickens Stadium. As the CMB marches, the OSU Drumline performs The Series, the "street beat" cadence that has become a CMB tradition. Introduced in 1995 and written by percussion director Wayne Bovenschen, The Series is one of the familiar sounds of OSU gameday and a signature of the CMB at various events. On gamedays, one might see the sections of the CMB performing different dances or maneuvers at various points in the cadence, each unique to those sections. After each complete performance of The Series, the CMB will perform either a medley of "Ride 'Em Cowboys" and "OSU Chant" or the state song "Oklahoma" to keep fans' spirits up as they follow the band to the stadium.

# SOUNDS OF THE GAME

The Cowboy Marching Band and the OSU Drumline perform a number of selections, “stand shorts,” and percussion cadences that have become part of the fabric of OSU game days, as well as new selections to keep the band’s sound fresh at Boone Pickens Stadium. # THE COWBOY MARCHING BAND

The Cowboy Marching Band is the largest performing ensemble in the Oklahoma State University band program. Over 300 students from colleges and degree programs all over campus, from multiple states and countries, and from varied musical backgrounds come together to perform a variety of musical selections and visual programs each year as part of one of the largest student organizations at OSU.

As an athletic band program, the CMB supports Cowboy Football at each home game, in-state away games, select other away games, and bowl games each year. Pep bands often travel to support the team when the full CMB does not. Outside of athletic contests, the CMB and its component groups can be spotted performing at various university functions.

The CMB performs a variety of music in its shows to appeal to a wide range of audiences. Past programs have featured military marches, classical music, contemporary pop hits, classic rock, country music, Broadway show tunes, cartoon themes, video game music, Latin jazz, and more. The CMB utilizes multiple styles to present an engaging visual product; words, picture images, military blocks, asymmetrical drill, and other techniques are used to help bring exciting visual interpretations to the musical selections.

The CMB traces its history to a student-led group founded in 1905 that bought its own uniforms and hired its own director. Since then, it has become a group known for its musicianship, enthusiasm, and overall quality, and the memories made as part of the CMB are cherished by generations of alumni, friends, and fans. The shared experience of so many and the role the CMB plays at OSU have made "The Spirit of Oklahoma State" more than a nickname.

***It is a statement of purpose.***

## OSU FOUNDATION

Every gift to the Cowboy Marching Band helps shape both the student and fan experience! From scholarships and instruments to unforgettable performances on game day and beyond, your support strengthens a proud OSU tradition and inspires excellence in every step. Your generosity shows our students that they have the support of a community, and echoes through every rehearsal, halftime show, and lifelong memory created on and off the field.

Donations to the Cowboy Marching Band are received and managed by the OSU Foundation, the official nonprofit partner of Oklahoma State University. To learn how you can make a lasting impact on OSU Bands and the Greenwood School of Music, contact Taylor Buxbaum, Senior Director of Development and Team Lead, at [tbuxbaum@osugiving.com](mailto:tbuxbaum@osugiving.com).
